LOCAL SUPPLIERS

We offer support for local suppliers in Lincolnshire. Below is a small insight into our breakfast suppliers.

Rich Pastures, Skegness

Rich Pasture supply us with fresh milk and cream from their own herd.

Primrose Hill Farm, Wragby

Primrose Hill farm is a family run farm, which supplies us with free-range eggs. The hens are unrestricted in their movement within their field and sheds with a continuous supply of food and water.

Stokes of Lincoln

Stokes source the finest coffee beans from around the world to create award winning blends which are roasted at their Lincoln plant. We use their Blue Mountain filter coffee for breakfast.

Russell Green, Coningsby

Russell Green is a local supplier of fruit and vegetables. Russell Green offers good quality produce using locally grown fruit and veg wherever possible.

R. Wisby Butcher, Wragby

Wizbee has been a local butcher for many years, he sources the finest local meat produce. He supplies our bacon, and makes & supplies his own Lincolnshire sausage.

If you have any feedback on the quality & taste we would like to hear from you.
